To the Wonderful Staff of Adventure Montessori,

My son Jacob attended Adventure Montessori for two years and loved every minute of it.! My husband and I were so happy to have been able to start Jacob in a school that fostered a love of learning and gave him a reason to want to go to school everyday.

On August 19, 2008 Jacob started first grade at Prairie Hills Elementary School. On the first day of school he walked into school, fearless and confident, and came home excited.

By the end of the first week of school we had heard from his teacher that Jacob was respectful, friendly and helpful. Now at the end of his first grade year Jacob still has the same excitement and love of school. He has done very well this year academically and socially. He is reading at a second grade level and most respectful and friendly student in class.

I strongly believe that Jacobs strong transition and progress is first grade was thanks to the start he was given at Adventure Montessori. Thanks to the teachers and staff there Jacob was given an incredibly strong foundation to work from that will serve him well for years.

Thank you, so much for all of your hard work and caring. And for the love that you gave Jacob that has in turn helped him to love school.

I will be forever be grateful, Kate La Rock
