

Our Holiday season began with all the children cooking for the Thanksgiving feast. We made apple and pumpkin pies and potatoes for our feast. Big thanks to all the Parents for bringing in the ingredients/items to make our bountiful feast as a classroom. The children enjoyed all the food

Looking AHEAD

DECEMBER 4TH HANUKKAH- MS WENDY WILL PRESENT TO THE CLASS.

December 11th Winter Celebration at 7 PM-Parson Theater in Northglenn Recreation Center. Please continue to check the desk for updated information.

December continent of study will be Europe. We will talk about how different countries celebrate the holidays.

December virtues include, friendliness, patience and our new topic will be "My Light." We encourage you to use the papers the children bring home for family discussions on the subject.

December activities will include- making ornaments to hang on the Christmas tree in the enrichment room. Also we will be doing special Christmas projects with them.

THANKFUL FOR YOUR SUPPORT

Thank you parents for your generous donations for the can drive. Our donations went to Denver Rescue and your children blessed so many families.

We are still in need of 2 or 3 volunteers to make some costumes for our winter fest. Please see Ms Angie if you can help with some sewing.
